■ Letter from Chief George Kral

I wanted to be the person you heard this from first.

My last day with TPD will be January 9, 2023. Since December 14, 1990, I have loved coming to work, but since being named chief in January of 2015, I have enjoyed it all the more.

Even with all of the trials, tribulations, and challenges we have endured together being your Chief of Police has been the pinnacle of my career. You truly are the best of the best.

Whether you agree, or not, I have been your biggest and most vocal defender and advocate. I see the good work each and every one of you do every day and never fail to sing your praises whenever I get the opportunity.

I wish all of you the best moving forward. I will continue to follow the dealings of the department and will pray for each of you every day.

George R. Kral

2022 Year in Review

January

On January 11, 2022 multiple officers responded to 1001 Starr Avenue for a structure fire. Officer Collins and Officer Johnson were among the first on scene. Realizing there were victims trapped on the second floor, both officers ran into the burning building to locate them. Once inside, the officers were able to direct TFRD personal to their location and successfully extract them from the building.

"Engine 6 arrived to a chaotic scene unfolding with the possibility of multiple people trapped in the upstairs apartments. Heavy black smoke was visible from both second story windows facing Starr Ave. As command rounded the front of the building, they could hear voices yelling down the stairwell. They met the officers at the top of the steps, in harm's way, doing everything they could to maintain verbal contact with the victim. Officers Collins and Johnson would prove to be a vital part of the overall rescue of the victim." -A Toledo Fire and Rescue Captain

A solemn obligation

Officer Brandon Stalker
E.O.W. January 18, 2021

Police Officer Brandon Stalker was shot and killed while working the outer perimeter during a barricade involving an arson suspect in the 2300 block of Fulton.

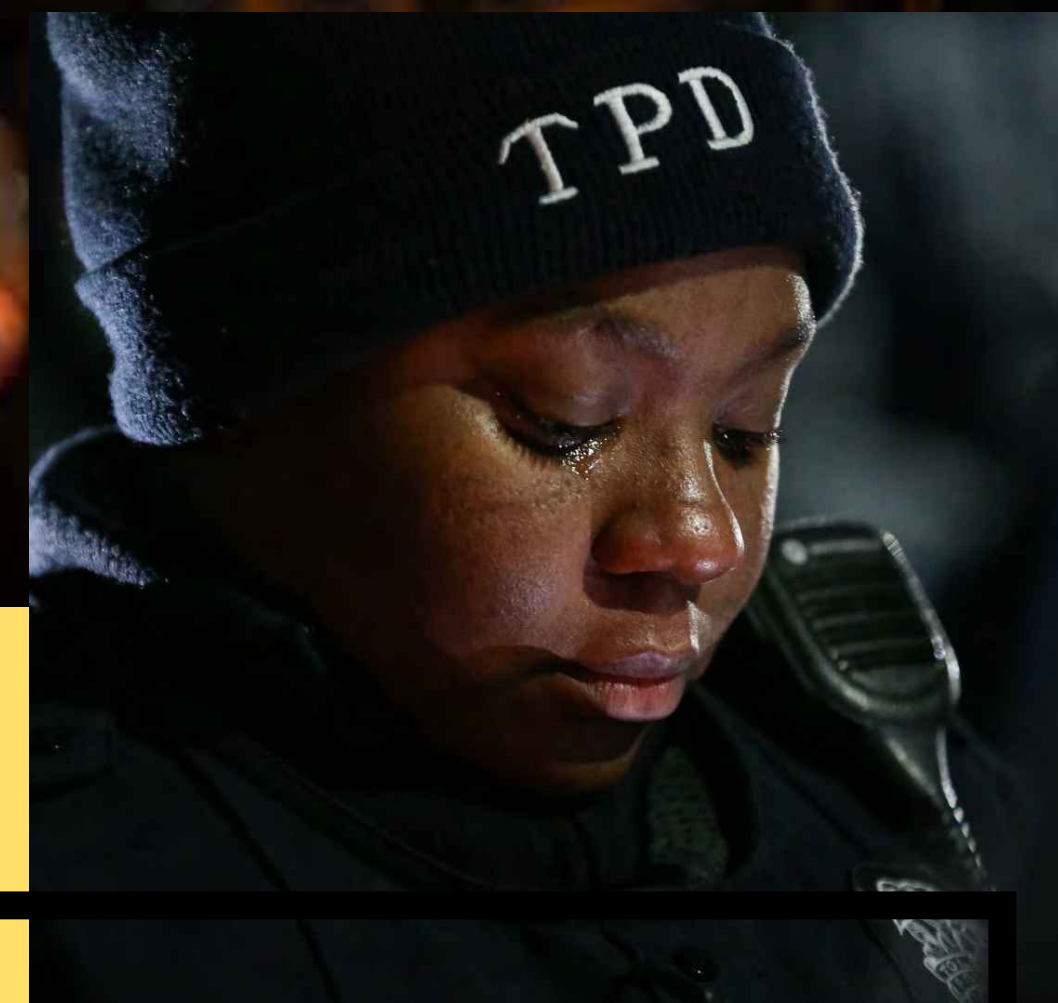

At approximately 0222 hours the front doors of the Our Lady, Queen of the Most Holy Rosary Cathedral on Collingwood Blvd. was vandalized and set on fire. A witness flagged down a crew to report the incident. Toledo Fire and Rescue and Arson Investigators responded to the scene. A suspect was identified and warrants for Arson and Vandalism were issued. Around 1600 hours a Gang Task Force unit observed the suspect in the 2200 block of Fulton. The suspect was given commands to remove his hands from his pockets and walk towards them. He walks away while producing a firearm and runs into his home. The unit immediately sets up a perimeter and backup crews and negotiators arrive. Officer Stalker is working the outer perimeter, over 100 feet away from the home. After failed negotiation attempts, the scene is turned over to SWAT. SWAT deploys chemical munitions forcing the suspect out. As he emerges, the suspect has a handgun in each hand and fires at officers.

Officer Stalker is struck. He is transported to a local hospital by fellow officers where he succumbed to his wound. Police shoot the suspect, striking and killing him.

Officer Stalker had served with the Toledo Police Department for two years. He is survived by his fiancée, daughter, son and parents.

Over a period of several days, Deon Thompson was a victim of a package theft two times. In both instances, Mr. Thompson was able to capture the suspects on his doorbell camera. During the second theft, his wife confronted the suspects as they fled. Mr. Thompson traced the route the suspects ran and was able to find a cell phone. After doing some detective work of his own, he was able to identify the suspects and where they lived. A few days later officers were able to meet with him and obtain the evidence he had developed. After some coordination, officers were able to arrest the suspects in the same vehicle they had used in the thefts. Officers recovered some of the stolen property and returned it to the rightful owners.

On February 15, 2022 the McDonalds at 1225 Collingwood was robbed by an armed suspect. Witnesses told the arriving officers that the male suspect fled on an "old school" bike. Hours later, Officer Michael Ervin and Officer Lindsey Erhart spotted a male near Dorr and Smead matching the description of the suspect, who was also riding the described bike. Officer Erhart attempted to stop the suspect who then fled on the bike. Officer Ervin was able to catch the suspect and he was taken into custody after a foot chase. The suspect was then interviewed by detectives and charged with aggravated robbery and multiple misdemeanors.

On February 7, 2022 Officer Leon Cavanaugh and Officer Daniel Welch were tasked with preventing a series of robberies targeting pizza delivery drivers. While on patrol the officers observed a vehicle that was stolen in a recent robbery. The officers watched the vehicle park and observed the suspect exit the driver's seat and stand near the car. When the officers began to approach the suspect, the suspect jumped back into the vehicle. To prevent the suspect from fleeing, the officers approached the car and removed him from the vehicle and placed him in custody. After a search of the suspect, he was found to be in possession of a ski mask and loaded handgun. The suspect and items found all matched descriptions given in the previous six robberies. The officers then booked him at Lucas County Jail on multiple felony charges.

The ultimate sacrifice...

On May 19th, The community comes together to honor those officers who gave their lives in the line of duty.

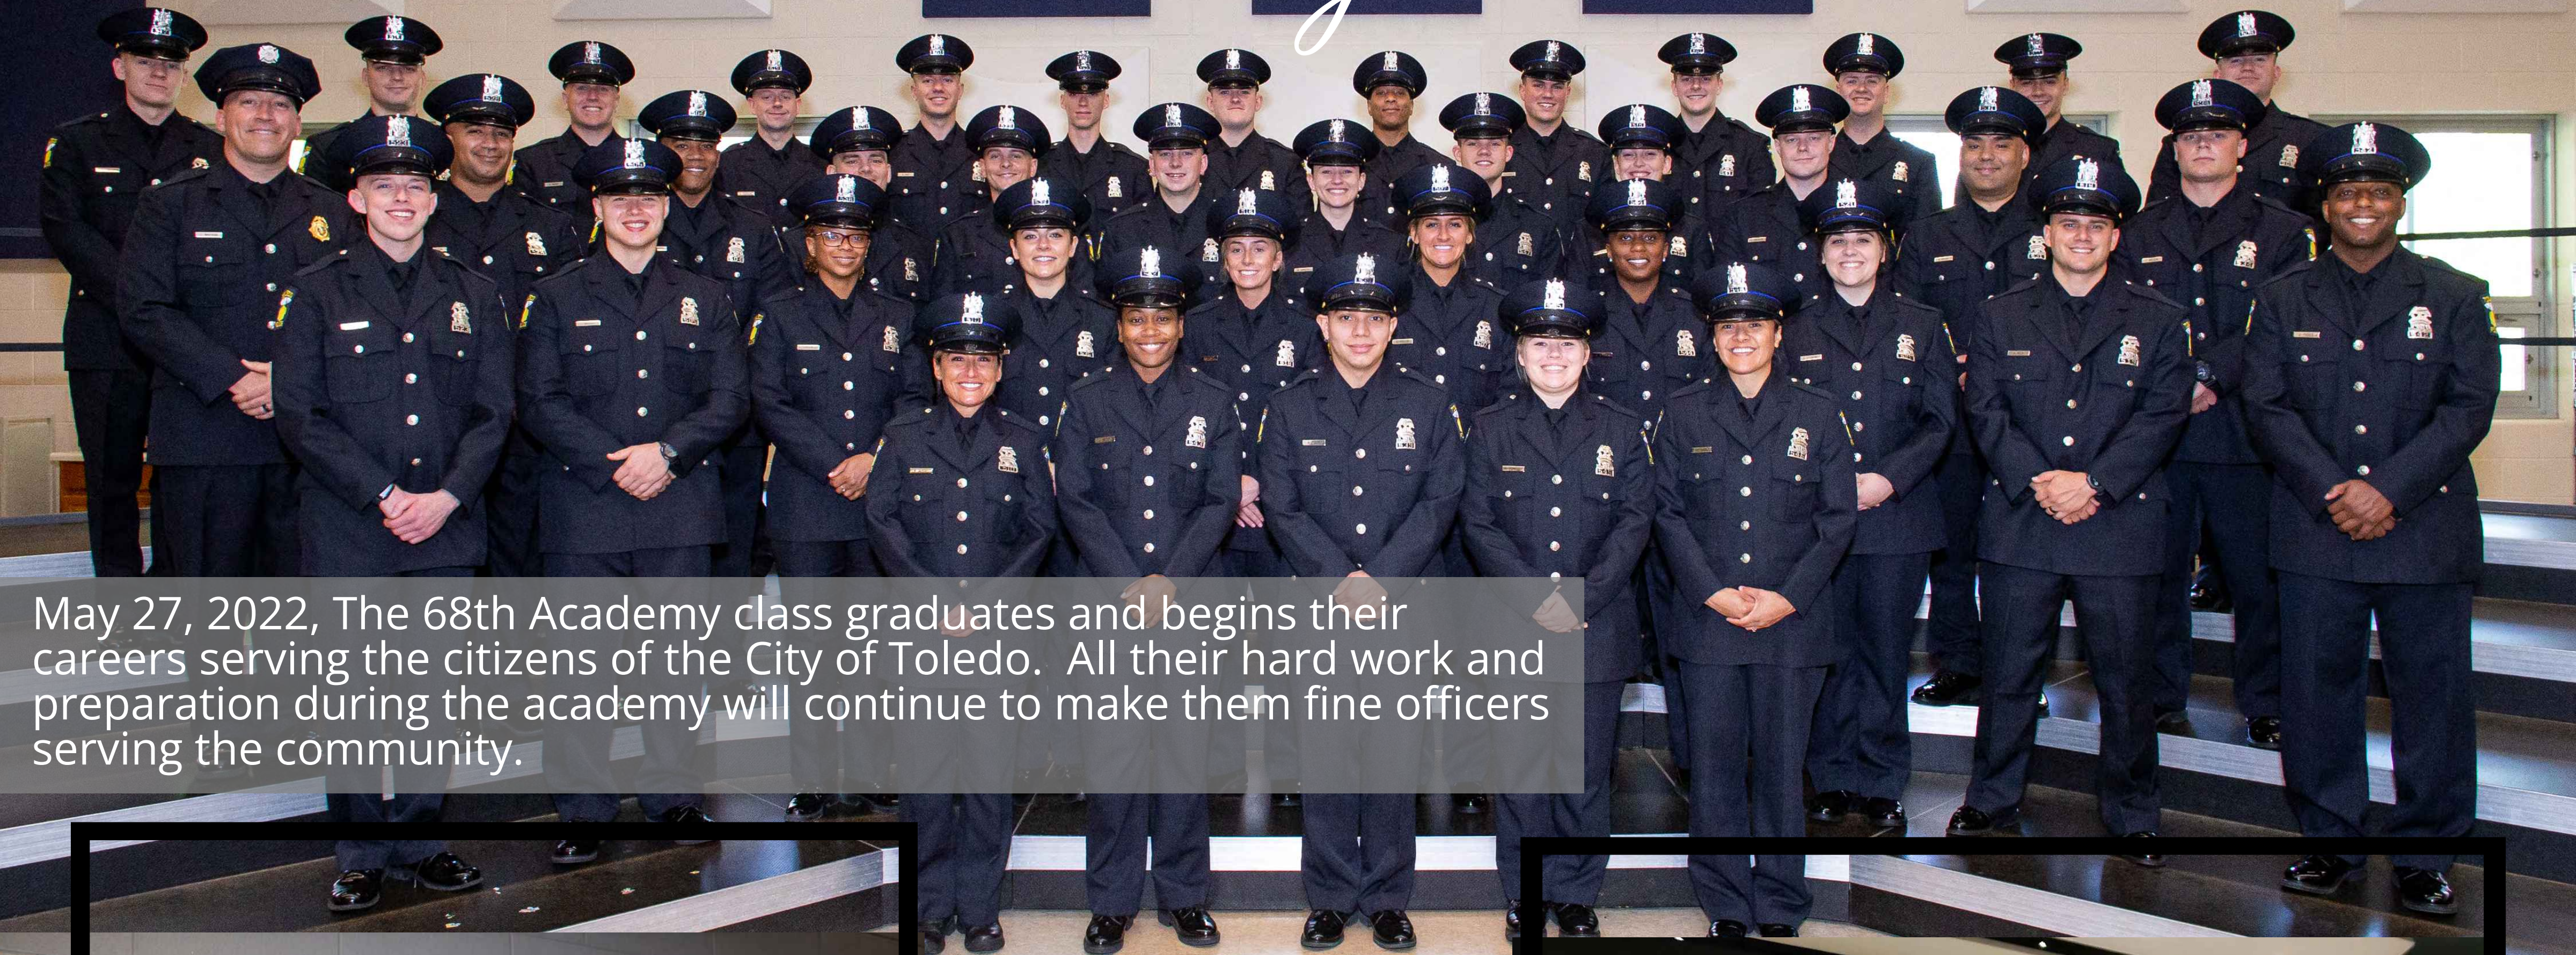

Gone but never forgotten

The Policeman stood at the Pearly Gates. His face was worn and old. He meekly asked the man of fate admission to the fold. "What have you done" Saint Peter asked "to seek admission here?" "I was a cop back down on earth for many many a year." The gates flew open quickly as Saint Peter tolled the bell. "Come in an take a harp" he said... "you've had enough of hell!"

Congratulations to the 68th Academy Class!

May 27, 2022, The 68th Academy class graduates and begins their careers serving the citizens of the City of Toledo. All their hard work and preparation during the academy will continue to make them fine officers serving the community.

June

On June 4th, crews were dispatched to a weapons call in the 1200 block of N. Superior. The caller stated he had a gun and was going to harm an unknown female and any officers that responded to the incident. Sergeant Raymond Espinosa arrived on scene and took control of the scene. Officers set up a protective perimeter to contain the incident. The suspect began to advance towards officers and stretching out his arm into a shooter's stance. Sergeant Espinosa ordered the officer not to fire, to which he instead deployed several shots from his pepper ball gun. After the suspect was struck multiple times, the suspect stopped advancing and went to the ground. This gave officers and Sergeant Espinosa time to lead the arrest team to the suspect and take him safely into custody. After the scene was secure, the suspect was found to not have a firearm, but a silver package of cigarillos. Based on his actions and the suspects 911 calls, it was believed he was attempting suicide by cop. Sergeant Espinosa's leadership prevented a possible officer involved shooting situation.

On June 24, 2022, The 69th Toledo Police Academy Class begins and cadets will participate in seven months of strenuous training. Everyday each cadet will strengthen physically and mentally. On June 29, 2022 Officer Ashley Reneau and Officer Anthony Vines II were taking a recent arrestee to Lucas County Jail when they observed three males attempting to take a refrigerator into a home in the 700 block of Walbridge.

After leaving the jail, the officers noticed a pending call for a break-in at the nearby Rent-A-Center. Once on scene, a witness told them he saw an unknown person steal a refrigerator from the rear of the store. Both officers remembered the men they saw taking a refrigerator in a home earlier so the officers went to that location and made contact with a resident. The resident admitted to stealing the appliance and the stolen refrigerator was recovered due to these officers diligent efforts.

On July 4, 2022 Officer Tyler Toska and Officer Mychael McAninch responded to a fire in the 800 block of North Superior. While speaking with the victim, it was determined that her child's father had intentionally set fire to her home. The victim told the officers the suspect was known to carry a gun. Both officers then started looking at past reports and were able to determine areas where the suspect was known to frequent. The suspect was then spotted and officers began a foot chase which led to taking the suspect in custody. A search of the suspect also produced a loaded firearm with a 30 round magazine.

15th Annual 12 Kids of Christmas

Every year Feet on the Street, organized by Sergeant Joe Okos, pairs children with officers for a holiday shopping event. This year the program was hosted by the Imagination Station and those children selected were from the Brightside Academy. To start the day, the children and their officer ate McDonald's breakfast together. Santa and his elf arrived to take pictures with the children and even the Toledo Rocket mascots stopped by to say hi! They all then proceeded to Meijer where they were allotted 100 dollars each to spend. After shopping, the children arrived back at the Imagination Station and enjoyed lunch with Officers. The Toledo Police Department has once again been awarded re-accreditation from the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA). This award was received on April 2nd during the 2022 Spring CALEA Conference. The Toledo Police Department has been an accredited law enforcement agency since 2003 and this marks the 7th award that the department has received.

The process of CALEA re-accreditation begins with a rigorous four year cycle, requiring annual assessments of policies, practices, and processes against internationally accepted public safety standards. These assessments are conducted each year by independent assessors with significant public safety experience. This four year process culminates with an on-site visit that includes structured interviews with department personnel and members of the community to assess the department's effectiveness and overall service delivery capabilities. During the on-site visit, public feedback is also received to promote community trust and engagement. The decision to accredit is then rendered by a governing body of twenty-one CALEA Commissioners following a public hearing and a review of all reporting documentation.

CALEA Accreditation is a mark of law enforcement excellence and recognizes state-of-the-art police practices and departmental professionalism. Furthermore, this continuous process serves as the foundation for a successful, transparent, and community focused public safety agency.

Real Time Crime

Episode 4: Tailgate Terror

Justice for Malachi

On July 15, 2022, Real Time Crime television series comes to Toledo, Ohio to interview Detective Jeffrey Sharp and Detective William Goodlet. This documentary was based on Malachi Barnes' homicide case that occurred the evening of Thanksgiving day in the year of 2018. This case was Detective Sharp's first homicide case which involved an innocent 3 year old victim who was shot in the head during a drive by shooting on interstate 75. The detectives and the Toledo Police Criminal Intelligence Section work together to analyze surveillance video. The detectives diligently piece together the evidence to positively identify the suspects (Matthew Smith and K'veon Giles) involved in the shooting which lead to their conviction on March 24, 2020. After both suspects appealed their convictions, the State of Ohio, Sixth District Court of Appeals affirmed the judgment on August 20, 2021. The suspects were sentenced to 45 years to life in prison for the aggravated murder of little Malachi. Justice was served for Malachi with the impressive and collaborative efforts of the officers in the Toledo Police Department.
