TWENTY-SECOND ANNUAL REPORT

—OF THE—

Board of Police Commissioners

—OF THE—

CITY OF TOLEDO.

OFFICE OF THE BOARD OF POLICE AND HEALTH COMMISSIONERS, }
TOLEDO, O., January 1st, 1890. }

To the Honorable Common Council, City of Toledo, Ohio:

GENTLEMEN:—In accordance with custom and the requirements of the Revised Statutes of Ohio, we transmit herewith the Annual Report of the condition of the Police and Health Departments of the City of Toledo, for the year ending December 31st, 1889.

The condition of the Police Department, both as to efficiency and discipline, we are pleased to report, reflects credit upon both officers and men, and will compare favorably with any city of its size in the country. Direktion of duty has been promptly reported by the heads of departments to this Board, and punished by fine or dismissal; and as a result good order and discipline prevail throughout the force.

The recommendations of the Chief of Police concerning the increase of the force, the establishment of a morgue, a sub-station and a patrol barn, it is needless to say have our unqualified approval and support, and merit the serious consideration of your Honorable Body.

The proposition to establish a crematory furnace for the destruction of garbage, dead animals and night soil, heretofore recommended by this Board and now under your consideration, we hope will meet your approval. The garbage and refuse of the city since the introduction of natural gas has increased to such an extent, that the means heretofore employed of dumping onto vacant lots should be abandoned as unhealthy, unsightly, a violation of the Statutes and unbecoming the dignity of a city of a hundred thousand population.

Expenses in such needed reforms and improvements as are suggested in the Report of the Chief of Police, and of the Health officer, two of the most important branches of the city government, should not be too closely scrutinized, but deserve encouragement and a liberal levy to carry them into effect.

The Sanitary force of the city has been increased during the year, and considering the epidemic season through which we are passing, and the general growth of the city, the necessity for such increase can not be questioned.

For complete details of the operations of these departments we refer you to the Report of the Chief of Police, the Secretary's Report, and the Report of the Health officer.

Respectfully submitted,

J. K. HAMILTON, *President,*

GEORGE SCHEETS,

JOHN A. WARING,

V. J. EMMICK,

AUGUST KRUSE,

Commissioners.

ANNUAL REPORT OF CHIEF OF POLICE.

HEADQUARTERS POLICE DEPARTMENT, }
TOLEDO, O., January 1st, 1890. }

To the Honorable Board of Police Commissioners, City of Toledo :

GENTLEMEN:—I have the honor to submit herewith my fifth annual report.

The work of the department for the year 1889 presents results that are very gratifying. If the work performed could be fully presented in comparison with the limited force and hampered condition, the showing would, indeed, be very creditable.

The accompanying schedule of arrests and the statement of stolen and recovered property are referred to as evidence of the absence of serious crime; and when considered in connection with the fact that Toledo is the second largest railway center in the United States, with a population of one hundred thousand, and that our varied and extensive industries are scattered over a territory of twenty-five square miles, the claim that the department has performed honest and efficient work will be more fully appreciated.

I regret that I am not entirely free to express myself as satisfied with the present condition of the department. The Board, I wish to state, has made every effort possible in the interests of the department; but little has been accomplished in that direction.

Many wants to which the attention of the Common Council and Tax Commission has been called in former annual reports are now only felt more keenly with new and equally important wants added.

The department was left to tide over the past fiscal year without the

levy of a single mill, and as a result the Police Fund has long since become exhausted.

Our patrol department is being neglected to an extent that is very discreditable; the patrol barn or station is unfit for occupancy, notwithstanding a rental of \$100 is annually paid, with almost an equal sum for repairs.

The want of an ambulance wagon and a morgue are also matters to which attention is respectfully called, and I trust will receive due consideration. A patrol wagon is not a fit vehicle to carry very sick or seriously injured persons; and again, as there is but one patrol wagon in use its service is demanded, beyond its capacity, for strictly police work.

As to the need of a morgue, I take the liberty to call attention to that subject for the reason that in every case of fatal accident, etc., that may occur within the city, it is the sad duty of the police to be among the first upon the scene, and in no uncertain capacity. The victim, if not immediately identified or claimed by friends, is consigned by the Coroner to some undertaker's establishment to await identification or the arrival of friends, or perhaps, the lapse of the necessary time before being claimed by some medical college. The fact that as many as three such victims have, at one time, lain for days in the unprotected barn or shed of an undertaker is, I believe, sufficient argument for the establishment of a morgue. It might also be added that Toledo has no guarantee against fatalities by which any number of her citizens might be taken off, and whereby a morgue would be an absolute necessity.

A Contingent Fund in this department is another pressing necessity, and I would respectfully repeat the request made in my former annual report for the establishment of such a fund. I believe that a small proportion of the revenue of the police court should properly go to this fund.

An increase of the police force cannot possibly be much longer deferred, and it is apparent that it would be impracticable to crowd any more men into our present limited quarters, and suggests the establishment of at least one sub-station.

The efficiency of our present force is very much impaired on account of the time necessarily occupied by patrolmen in going to and returning from their posts in the outlying precincts of the city. The same condition of affairs is applicable to the service of the patrol wagon, as many of the alarm boxes and calls, to which the wagon has to frequently respond, are fully three miles distant from the patrol station.

The service rendered by the detective force has been invaluable, not only in arresting criminals who have committed offenses, but in preventing the professional thief, burglar and criminal refuse driven from other cities from operating here.

The photographs of professional thieves, etc., that have been added to the rogues' gallery during the year, speak much for the ability and vigilance of the detective force.

The health of the force for the past year has been fair. No great amount of time has been lost on account of sickness in any particular case, and no deaths have occurred.

In conclusion, I wish to commend the entire force, for faithful performance of duty, and return thanks to your Honorable Body for your kindness and generous support.

Respectfully submitted,

EDWARD O'DWYER,

Chief of Police.

REPORT OF SECRETARY.

OFFICE BOARD OF POLICE AND HEALTH COMMISSIONERS, }

TOLEDO, JANUARY 1st, 1890. }

To the Honorable Board of Police and Health Commissioners :

GENTLEMEN:—I have the honor to submit the following annual report for the year 1889 :

ORGANIZATION OF THE BOARD.

HON. J. KENT HAMILTON, *Mayor and Ex-Officio, President.*

VINCENT J. EMMICK,

AUGUST KRUSE,

GEORGE SCHEETS,

JOHN A. WARING,

Commissioners.

JOHN J. BERNEY, *Secretary.*

STANDING COMMITTEES OF THE BOARD.

On Claims, Accounts and Official Papers—Messrs. Scheets, Emmick and Kruse.

On Station House—Messrs. Emmick, Kruse and Waring.

On Application and Membership—Messrs. Waring, Kruse and Emmick.

On Discipline—Messrs. Kruse, Scheets and Waring.

On Health—Messrs. Waring, Emmick and Scheets.

Police Pension Fund Trustees—Commissioners Emmick, Kruse, Scheets and Waring, Patrolmen Spore and O'Sullivan.

HON. J. KENT HAMILTON, *President.*

JOHN J. BERNEY, *Secretary.*

The expenditures of the Police Department for the year 1889, as shown by the accompanying statement, were about \$700 less than that of the previous year, and still temporary loans to the amount of \$6,000 had to be made to meet these very limited expenses.

The fact that the Police Fund is almost always short, and the disbursements small in comparison with other department funds that show substantial balances, seems to give ground for the complaint that apparently the police department is only of secondary consideration or is being willfully neglected.

Since the depository law came into effect, September 1, 1888, the money due the police pension fund, from the police court in city cases, has not been paid to me as formerly, but is deposited direct with the City Treasurer, and is only certified to me by the Police Clerk.

The same is true of accrued interest on pension fund bonds; the coupons being cut off and the proceeds deposited by the Mayor.

The beneficiaries of this fund are under obligations to City Auditor, Mr. W. T. Walker, for the valuable assistance rendered the Trustees in keeping the funds invested as far as possible, and to the best possible advantage.

I have endeavored to give in this report a full and correct statement of the Police Fund, the Police Pension Fund, and all other matters of interest to the department, and hope the same will meet the approval of your Honorable Body. Respectfully submitted,

JOHN J. BERNEY,

Secretary.
