Annual Report of Chief of Police.

HEADQUARTERS POLICE DEPARTMENT, }
TOLEDO, OHIO, January 1, 1897. }

To the Honorable Board of Police Commissioners, City of Toledo :

GENTLEMEN :—I have the honor to submit herewith my annual report for the year 1896.

Total number of arrests made during the year.....	4,938
Total number of runs made by patrol wagons	3,370
Total amount of stolen property recovered.....	\$4,673
Total number taken in charge by matrons	1,036
Total number of lodgers and tramps	3,227

Notwithstanding the large number of unemployed residents, Toledo has maintained its customary reputation for peace and good order during the past year.

The greatest need of the Department at the present time, is an increase of the force. When area and population are taken into consideration, it seems to me the difficulties experienced in properly protecting life and property in a city like Toledo ought to be apparent to all. On account of lack of funds the Department is crippled, the tax levy is not sufficient to meet expenses. Due credit must be given to all members of the Department for their efficient work. The salary paid to patrolmen and officers of this Department is far below the average of other cities. When men risk their life every hour of the day and night to protect life and property they should at least receive a fair compensation for same.

Thanking you for courtesy and kindness extended to me at all times by your Honorable Body, it would also be unjust to submit this report without calling your attention to the efficient work of the entire Department.

Respectfully submitted,

BENJANIN RAITZ,

Chief of Police.
