Division of Police

Annual Report, 1918.

I herewith transmit for your consideration the annual report of the Toledo Police Department for the year 1918, together with the data of the various divisions of the Department with the work they have accomplished during the year ending December 31, 1918:

Special Work of the Year.

Searching homes for hoarding food and assisting Local Branch of Food Administration in closing stores, putting up signs, etc., investigating some 600 cases, in 20 of which we found food stored.

Furnishing labor to load Government boats at Magnolia street dock for overseas. Picked men from the street, pool rooms and barrel houses. Also had policemen on guard duty at docks during the day and night.

Several officers were detailed to assist the Local Draft Boards in rounding up deserters and slackers, delivering deserters to different cantonments and running down complaints of Alien Enemies.

Registered for the Government 1,600 male aliens.

Registered for the Government 1,300 female aliens.

Raided all pool rooms, saloons, lodging houses and other places where men hang out, arresting persons who did not have their card. Also stopped theatre performances and searched men 21 to 31 for their cards and picked up as many as 400 in a day, mostly all of whom produced their cards. Those that did not were turned over to the Department of Justice.

A great amount of vigilance was necessary watching soldiers who tried to visit places where they could get drinks or find women. Several arrests and convictions were obtained in such cases.

Segregated District.

This district was closed on May 1, 1918. Since that time we have had two Captains and eight plain clothes policemen investigating and arresting people who have moved to other parts of the city and opened up a blind tiger or a disorderly house. With the two Captains and eight men and the entire detective force we have pulled no less than 400 of such places and investigated over 2,000 complaints.

A special campaign was made against women and men in diseased condition that were found in the city. These people were arrested held over night and the following morning were delivered to the Municipal Hospital for examination or treatment.

Bootlegging.

We have succeeded in ridding the city entirely of several bootlegging places. There are a few residences which sell liquor on Sundays, though many of these places have been pulled. I believe Toledo has less bootlegging and places of this kind are given special attention and every effort made to arrest and prosecute the offenders.

PERSONNEL OF THE DIVISION,

Number allowed.	Number in Dept. Dec. 31, 1918.
1 Chief	1
2 Inspectors	2
5 Captains	5
6 Lieutenants	6
12 Sergeants	11
35 Regular Detectives	19
Detailed Detectives	16
206 Patrolmen	191
1 Supt. Bureau of I. & R.	1
1 Asst. Supt. B. of I. & R.	1
Clerks B. of I. & R.	4

2 Stenographers	1
3 Turnkeys	3

Photograph prints, printed.....	9,570
Number of letters answered regarding missing persons and articles.....	5,250

Respectfully submitted,
Henry J. Herbert,
Chief of Police.

Division of Fire

Annual Report, 1918.

I have the honor of presenting herewith the annual report of the Division of Fire for the year ending December 31, 1918, including such recommendations as in my judgment should be considered for the efficiency of the service. Some of the recommendations have been suggested in previous reports but could not be carried out on account of a scarcity of funds.

Alarms and Losses.

During the year the Division responded to 1401 alarms which is 100 more than in 1917 and 55 more than in any previous year.

Of the above mentioned alarms in 1918, 1155 were fires inside the city limits, 40 were fires outside the city limits, 134 were false alarms (malicious, accidental and automatic sprinkler systems), 71 were unnecessary.

As near as can be determined on account of a large number of losses not being adjusted at this time, the fire loss for the year will reach \$560,060.52 which is \$110,072.02 more than in 1917. Loss over insurance paid \$1,865.00.

Apparatus.

The Division of Fire consists of 17 Fire Stations equipped with the following apparatus: 14 Steam Fire Engines with tractors; 17 Motor Combination Hose and Chemical Wagons; 1 Water Tower with Tractor; 7 Motor City Service Hook and Ladder Trucks; 2 Aerial Hook and Ladder Trucks; 9 Officers Cars; 1 Motor Squad Wagon; 2 Ford Trucks.

The Fire-Fighting Force.

The Division is manned by 234 officers and men (including 6 in Fire Alarm Telegraph.)

The Division maintains a workshop at which one machinist, one auto repair man, one carpenter and one painter are regularly employed.

The Division still owns one horse which was turned over to the Walbridge Park Zoo as per a resolution by the City Council June 21, 1915.

We have 33,800 feet of fire hose in service. 30,900 feet of which is 2½-inch and 2,900 feet three-inch. 4,000 feet of the 2½-inch hose was purchased in 1918. 500 feet of chemical hose was purchased during the year.

We carry 2,145 feet of ladder on the nine Hook and Ladder Trucks and 34 short ladders carried on the Hose and Chemical Wagons.

Rescues and aFatalities.

Mrs. I. Pawloski and five children were rescued from the second story of a dwelling No. 2837 Lagrange St. at 2:38 A. M. and taken to Fire Station No. 14.

Seven persons were burned fatally and 13 seriously. Nine Horses were burned to death.

Large Fires for the Year.

Jan. 19, Ohio Dairy Co. and others, Erie St.....	\$62,949.00
Jan. 31, F. H. Dodge (Garage), Monroe St.....	9,450.00
Feb. 7, Gross Photo Supply Co. and others, Summit St.	17,458.66
Feb. 8, Nugent Furniture Co. and others, Water St.	35,987.74
