Annual Report of Chief of Police.

HEADQUARTERS POLICE DEPARTMENT,
TOLEDO, OHIO, January 1, 1902.

To the Honorable Board of Police Commissioners, City of Toledo:

GENTLEMEN:—I have the honor to submit herewith my annual report for the year 1901.

Total number of arrests during the year.....	3437
Total number of runs made by patrol wagon.....	2364
Total amount of stolen property recovered.....	\$2163
Total number taken in charge by matrons.....	820

The above will show a credit to the Department and City of Toledo.

We can point with pride at the work of this Department; we have less crime than any city of its size in the United States. The city is growing every year and spreads out over a vast amount of territory, which should be covered or patrolled by a patrolman oftener than it is. The post being so large, it is impossible to properly patrol the same and give our citizens better protection, the only obstacle in the way is the lack of funds. I hope the time will come when the Common Council will see the necessity to make the necessary appropriation to maintain this department. We certainly have made a creditable showing with the force and the money provided for the department. Thanking your Honorable Body for past favors,

Your respectfully,

BEN. RAITZ,

Chief of Police.
